

Angel Boy!

Mark 9: 14ff

If you are struggling to believe you already do believe.

Unbelief says “I can’t believe.” Doubt says “I won’t believe.” Unbelief is honesty. Doubt is obstinacy. Unbelief is looking for light. Doubt is settling for the darkness.

*When we pray we must not feel as if we must give
God an option not to act.*

Humility concentrates the focus of God's power.

Disappointment in prayer is the food of faith.

Mental assent (believing in mind) is not itself faith because faith to be complete requires a personal step.
