

Cursing Ain't Cussing

Mark 11:11 ff.

There can be mountains in our lives that pretend to offer great promise but yield no fruit.

Jesus does not curse the tree. He renders judgment upon its fruitlessness.

Prayer in faith breaks the deception of those mountains in our lives.

*Faith comes from God through my heart not
through my head.*

***Unforgiveness is the highest mountain to faith
because it is the greatest obstacle to a heart for
Jesus.***
