

Altar Crawl!
Romans 12:1 ff.

A Blood sacrifice requires a living victim to die. A living sacrifice requires a living victim to live.

The transformation and renewal of our minds is a function of the living sacrifice of our bodies.

***Becoming a living sacrifice requires that we don't
crawl off the altar.***

Our gifts that God gives us are the vessels for our renewal and transformation.

Do justice to your gift!

"Actually, I was gazing in my usual state of being half absent in my own world and half in the present. I have usually been able to 'retire' in this way. I was also thinking that my life was tied up with this instrument and would I do it justice?" – Yehudi Nenuen as at 11 years
