

The Cynic Clinic!

Luke 11: 14ff.

Cynic – ghdd – is a person who is habitually suspicious of the motives and the sincerity of others including God.

***Never willfully deny or ignore the goodness of God
whatever its wrapper.***

Embrace the central importance of unity in God's Kingdom!

Kingdom Unity empowers authority, gives rise to the miraculous while strengthening integrity.

“He who is not with me is against me and he who does not gather with me scatters.” - vs. 23

Don't exaggerate the power of the devil.

Avoid compartmentalized thinking!
