

The Fixedness of Brokenness 2.0

1 Peter 4:12-19

Contrite- (Dakah) to collapse; to be crushed to pieces

John piper said, “God will never give us more than we can handle. Is that biblically correct? Yes, if we mean God will never give his people trials in which he will not sustain them and bring them through to everlasting glory. We will be enabled to do all we must do to get there.”

To be built up in Christ is to be broken in Christ.

The brokenness of the Cross is where we find fulfillment.

Our accused villainy leads to Christ's nobility

Final Thought:

**“The only way to keep the soul well is to
commit it to God, in well-doing.”**
