

Rules of Engagement!
Mark 12:28ff

***Engagement – ghdd - is to encounter another person
the result being each person becomes newly
involved with the other.***

Repentance is not stopping something so much as it is starting something!

We are to love our God as single and thoroughly unique!

We will love God with hearts impassioned for righteousness.

We will love with whole identities and undivided souls!

***We will love with minds that are cleaned, unblocked
and unhindered!***

We will love such that all that makes us strong is available to God!

We will love God with our love for others such that it is not a mere suggestion!

We learn to love ourselves and not be narcissistic!
