Christmind! 1 Cor 2:11ff.

Mind – ghhd - is not merely what we think; mind is the way we think.

It isn't enough to have a mind <u>like</u> Christ, we need to have the mind <u>of</u> Christ.

The mind of Christ is a mindset in perfect conformity to the Kingdom of God!

An ungodly belief opposes the mind of Christ and what the word of God teaches.

Godly belief – is a mindset that is conformed to and directed by the scriptures and the Holy Spirit.

An expressed Godly belief is spiritual confrontation with a lie.
