

Manner Your Minds!

Romans 12: 1-2

Mind – ghhhd - is not merely what we think; mind is the way we think.

We can believe the truth but conduct our lives based upon a falsehood.

An ungodly belief opposes the mind of Christ and what the word of God teaches.

If our enemy can influence one family to labor under a lie, he can hold captive generations to that lie.

***If a family's mind is renewed into the truth,
generations become freed from bondage.***

- ***Is there an ungodly belief that my family labors under?***
- ***Ask God together to reveal any ungodly belief affecting your family!***

- ***Pray and dialogue together concerning chronic problems in your immediate and/or extended family history.***
- ***As the Holy Spirit speaks to you write down as best as possible the ungodly belief.***
