

The Strange Story of Easter!

John 20:24 – 29

1Corinthians 15: 20-24

How you think about your life after death is the key to thinking about everything else.

My death and your death domineer over every other problem we face on this Easter Sunday.

My and your physical resurrection declares that all faith traditions are not the same.

My and your physical resurrection are our ultimate hope for ourselves this Easter Sunday.

***My and your physical resurrection should reign over
our embrace of life and death now.***

***The only path to a new heaven and earth is the
Person who is the Resurrection and the Life.***
