

A Pricier Miracle!
Matt 9:1ff

***Carrying sinners to Jesus means carrying their sin
as well!***

To carry someone to Jesus is to move them to redemptive ground – to get them off the world's turf!

Christians are given, in a measure, the authority to pronounce sin forgiven.

Courage arises from an assurance of forgiveness.

Courage – ghdd – is my spirit allowing me to face fearful difficulty with the strength that comes from knowing who I am.
