

**‘AIN’T NOBODY GOT
A MOM LIKE MINE’**

Matthew 15:21-28

Kingdom table crumbs are better than all of the world's gourmet meals!

Use your responsibility, your position, and your strength to carry children to Jesus - Mother's know!

When God seems SILENT, what do we do?

When you meet with indifference because of who you are, what do you do?

Her humility and necessity made her glad for crumbs. Are you grateful for even a crumb??

***When Jesus pushes back, it is not necessarily a
“NO”!!!***
