

Keeping a Divine Appointment!
Acts 10: 19-33

We can make a divine appointment but can we keep a divine appointment?

The meaning of the appointment comes to light in obeying the appointment.

There are times when the word of God itself carries power.

When God appoints us we can be messengers or ministers or both.

***When the Spirit sends us to someone they are holy
in as much as God has sent us to them.***

***God delights in tearing down our silent “aversions”
to other people.***
