

Leaving Everything!
Luke 5:1-11

Growing in Jesus means facing a succession of “everything’s” to leave behind.

Stuckedness – ghdd – is when I know that I am not growing in Jesus and I am increasingly apathetic about it.

***Jesus jumps into the boats of sinners who are stuck
yet have a heart to obey.***

Growing in Jesus means bridging a gap between who I am and who I am to be.

Leaving everything is not renouncing everything.

***Leaving everything means a reordering of priorities
in life and a reordering of commitments.***
