

***A New Edition of What Not to
Wear!
Genesis 9:18ff***

***Honor is to esteem someone privately and publicly
as a gesture of love.***

Exodus 20:12 “Honor your father and your mother, that your days may be prolonged in the land which the Lord your God gives you.”

Honoring parents in the home is God's ordained seedbed for seeing honor lived out in our lives.

Broadcasting our parent's shortcoming(s) in a way that would bring embarrassment upon them is never honorable.

As believers, it is our responsibility and privilege to honor our parents, even in the midst of difficult situations.

In order for honor to truly come from our heart and not just rote obedience, we must forgive.
