

Black Tie Affair!
Matt 22: 1-14

For God our Father an invitation to His Son is an offer to an endless banquet.

Kingdom invitations are for the good and the bad.

The Kingdom of God is a safe feast for the good and the bad . . . the ugly . . . not so much!

The garment appropriate for the feast is far too expensive to buy.

When God covers you, you become your covering.

Every ignored invitation to Jesus yields a replacement at the feast!
