

The Descent of the King!
1Thess 4:13ff.

***We in this moment all continue to live between
Ascension and His Appearing.***

Jesus is going to come physically; we will resurrect physically; He will reign physically.

***The Descent of the King is the ignition of our
Resurrection.***

***His descent ends the clash of Kingdoms and finishes
the Devil!***

The coming King's judgment doesn't enter us into some divine act of revenge.

The King comes to finally expose and display God's perfect justice.

***His reign will guide us into perfecting all that the
Father began.***
