

A Cloud the Size of a Man's Hand!
1 Kings 18: 41ff

Pioneering is scaling your mountain until you actually see what you heard from God!

Prophetic gestures are acts of obedience in anticipation of what God will do.

The intercession of the prophet requires time, energy and effort on the part of the servant.

It is important that the servant sees what the prophet hears.

Seeing a small bit of the Presence of God begets the bigger promise. Do something with your little bit.

Never give up!
