

Consecration Nation!
Joshua 3:2ff

A people consecrate themselves by what they do, not by what they don't do.

Pioneering is simply going where we have not gone before.

Consecration means that we separate ourselves toward what we will pioneer.

Consecration means we find the rest of the Lord in moving forward into the promise.

Consecration is seeing His presence at rest in the midst of our obstacle.

Pioneering requires we go together and we celebrate together.
