

The Names of Courage!
1Samuel 17:1 ff.

When nothing moves in our lives, when there is no progress, God is mocked.

Courage – ghdd – is to act such that the fear of God outweighs the fear of all else.

Courage understands that the fight is ultimately decided in heaven.

Courage is resolved to act on the earth.

Courage serves a living God against an enemy in whom we cease to live.

Courage acts from a vital relationship to God.

***Courage knows that every victory in God helps us
with another succeeding win!***
