

Healing and Covenant!
Exodus 15:22

It is one thing to ask for what you're not sure is really yours. It is another to ask for what you are entitled to.

The highest realization of the Father's intention to heal lies in the atoning work of Jesus.

Because covenant is a relationship, healing is a relationship.

Receiving healing in the New Covenant is never a formula.

Yahweh is not only the healer of us. He is the healer of the water.
