

Our Prodigal Father!
John 3:16-17

Possessions are not the point. Generous hearts are our goal.

The origin of all giving is the heart of the Father.

From before creation God had decided to love and to give.

God's generosity is never earned.

God's generosity is sometimes conditional.

A generous life yields a blessed life.

Blessing – ghdd – a relational act of giving that covers someone with benefit and favor.
