

The Simplicity of Christmas!
Luke 2: 1-7

***A simple girl wed to a simple man in a simple place
gave birth to a seemingly simple son.***

The first Christmas was completely unadorned in human terms. Most of us we exhaust ourselves adorning our Christmases.

Three Christmas Simplicities that beget the miracle:

Spirituality – ghdd - is my capacity to be turned aside from my routine to hear God.

Humility – ghdd – an understanding of God’s favor toward me so that I can act for the increase of His Kingdom in others.

- ***Obedience***

- ***A miracle - ghdd - is a violation of the natural order of things that breaks the power of hopelessness so that God's order can be established.***
