

The Mercy Engine!
Micah 6: 6-8

***Mercy is what we holler for when we get caught.
Justice is what we holler for when someone else
gets caught.***

We should love mercy because the merciful are lovers.

Grace – ghdd – is an act of a loving God that addresses sin.

Mercy – ghdd – is an act of God that addresses the consequences of sin.

***Mercy does not let sin off the hook. It hangs our
Sinless One on the Cross.***

We are mercy engines. We received mercy and in giving it away we become merciful by which we, in turn, receive even more mercy.
