

***The Argument from Desire!***  
***Romans 5:1 ff.***

***The fact that we hope implies that there is a desire within us yet to be satisfied!***

***God created everyone with natural/innate desires that are fulfilled by something God created.***

***Everyone entertains artificial desires. Sometimes they are fulfilled. Sometimes not.***

***Most people who live beyond a subsistence level live the lie that the next thing I get will bring me enough satisfaction.***

***In every person there is a God sized void that desires to be filled.***

***The “Hope” that Jesus fulfills is the “desire” of a relationship.***
