

The Good, the Bad, and God
Romans 2:11-15 (NIV)

The Moral Argument for God's Existence

For an objective moral standard to exist, God must exist

An objective moral standard does exist

Therefore, God exists

***All Humans have a natural sense of
how they ought to behave.***

Can we be good without God?

***What we know to do and what we
actually do: not the same.***

***Christianity (Jesus) is the only faith
solution to our predicament.***
