

**LOOK UP, RISK MORE,  
SACRIFICE ALL**

**Ascending Mount Moriah**

Genesis 22:1-14

# The Climb of Faith Leads to Greater Risk

Genesis 22:1-4

There are no risk-free tests  
of faith.

With just one word from the  
Master ...you have  
permission to act recklessly.

Attempt something  
so great for God

...that without Him it will fail.

THE CLIMB OF FAITH LEADS TO GREATER RISK

# The Climb of Faith Leads to Greater Sacrifice

Genesis 22:5-8

From scripture's earliest record,  
worship is gritty. It's gutsy. It's costly..

**It's *sacrifice* ... pure and simple.**

# FROM ITS ORIGINS, WORSHIP MEANS...

Learning to obey God in the extreme—in  
the completely unexpected...

When his purposes so cut across your will  
that circumstances appear to contradict  
everything He's promised.

THE CLIMB OF FAITH LEADS TO GREATER RISK

THE CLIMB OF FAITH LEADS TO GREATER SACRIFICE

# The Climb of Faith Leads to Greater Reward

Genesis 22:9-14

Abraham's Priorities Were Proven  
Perfect. That is...

Isaac and the Promise were God's,  
not his.

# **A seminal moment:**

The first and greatest commandment is  
conceived in Genesis 22.

Love for God, with all the human heart, mind,  
soul and strength becomes the measure of  
true worship from this day forward.

Our deepest encounters with God  
Amightly occur in the thick of life's  
most puzzling mysteries...bound to  
offend my natural mind.

Like Abraham, I worship Him with  
my deepest trust.

... proven in my greatest sacrifices.

God, I will trust you to somehow,  
someday resurrect ***anything*** you  
ask me to let die.

Sacrifice All
