

Discerning the Way in the Wind!

Proverbs 30: 18-19; John 3:1-12

God wants us together to discern the path of the Holy Spirit as we enter a new season in the life of the church.

What does Jesus expect Nicodemus to know that Nicodemus doesn't know? Or what does Jesus think Nicodemus, as a teacher in Israel, should know?

Nicodemus like the Eagle was expected to know how to move in the path of the wind.

***Where the wind blows the restorative, strengthening
and creative activity of God is at play!***

The wind moves such that we experience it but it requires that we interpret the experience in an ongoing, changing way.

The wind has an ultimate “Wish” which is the will of God.

The purpose of the wind is to be striking. We don't merely adjust to the fact of it. We position ourselves to be moved by it.
