

***He said, “Chesed”  
Micah 6:8***

***Dignity - is the worth of another human being in the eyes of God.***

***Kindness - is to act and speak in such a way that the dignity of another is assured while the same mercy I receive is extended to them.***

***All of the Gifts of the Spirit are purposed to be essentially acts of kindness!***

***The measure of our kindness is how well we conduct relationship especially with those closest to us.***
