

Walk Humbly

Micah 6:8

**A well-lived human life is to
worship God by doing justice,
loving kindness and walking
humbly.**

**Justifying yourself on the basis of
your goodness inevitably leads to
hypocrisy.**

**The only way to hold justice, mercy
and humility together is in the
gospel.**

**Grace-filled humility is the
difference between virtue and mere
virtue signaling.**

Walking with God implies the relationship and consistency of a transformative journey.
