How To Be #Blessed

Matthew 5:1-16
Following Jesus is not just the right thing to do, it is the smartest thing to do.
Different versions of the Good Life™ are constantly being lived out before us.
In Jesus’ society, the “unblessables” of the world become #Blessed.
How you see is shaped by what you value.
What you value determines the kind of person you become.
Jesus’ apprentices become the kind of people who both embody the Good Life™ within and cultivate it in the world around them.
