

A Disciple-Making Movement

Matthew 28:16-20

“Every member of the church family is discipling mature kingdom entrepreneurs.”

The singular purpose of youth and kids ministry is to make disciples of Jesus Christ.

**A disciple is an apprentice of Jesus Christ,
learning from him how to become like him.**

**Our single greatest rival to the Way of Jesus
is Consumerism.**

**Jesus guides in his *Way through* his people
by his Spirit and word.**

**We learn his Way by practicing his habits
and teaching others to do the same.**

**A disciple-making movement multiplies
leaders that multiply churches.**

**Are you willing to commit yourself to
learning and teaching his Way?**
